Wild Spaces Fund, 35, The Boundary,
Royal Tunbridge Wells, Kent. TN3 0YA

The Wild Spaces Fund is the conservation and land preservation arm of the
Kent Wildfowling and Conservation Association which already protects
over 9,500 acres of wild spaces in Kent and further afield.

Most of this land has the highest environmental designation (e.g. Site of
Scientific Special Interest, Special Protection Area)

In addition to being able to enjoy these beautiful places your support means the
Wild Spaces Fund can acquire, improve and preserve them for the future.

**WILD SPACES
FUND**
people preserving places

We all need our wild spaces. Wild Spaces for our
wildlife and wild spaces for people to enjoy.

You can help us preserve those wild spaces, so
that wildlife - and people - will benefit.

By supporting the Wild Spaces Fund you can
help to ensure that our precious wild spaces
and traditional activities are preserved for
future generations.

Your support makes a real difference
